Dear Sir or Madam,

Award of a College Prize to Mr Eduardo Rodriguez

It gives me great pleasure to inform you that the Education Committee awarded a College Prize to Mr Eduardo Rodriguez, reading Physics and a former member of IES Penafiorida Usandizaga.

This award recognises Eduardo for achieving a Distinction in his first year exams in 2014, and I am sure you will be pleased to know of his good progress.

Somerville will always be pleased to welcome entrants from IES Penafiorida Usandizaga, and I hope that Eduardo's success here will be an encouragement to other applicants.

Yours faithfully,

*with all good wishes,
Alice Prochaska*
